DOMINICAN SISTERS OF SAN RAFAEL

Celebrating the fourth year of our speaker series!

Thursday, October 25, 7:00 – 8:30 pm

An evening with Father Vincent Pizzuto

Contemplating Christ

The Gospels and the Interior Life

The incarnation has made mystics of us all.

What if we read the gospels as if that were true?

In the presentation of his book, *Contemplating Christ*, Fr. Pizzuto will discuss the implications of the incarnation for the modern world. Sharing personal experiences coupled with selected readings from the book itself, Fr. Pizzuto will unfold the radical claim at the heart of Christian faith: through the incarnation, we have all been made "other Christs" in the world.

Fr. Vincent Pizzuto, Ph.D. is Professor of New Testament and Christian Mysticism at the University of San Francisco. He also serves as Vicar of St. Columba's Episcopal Church and Retreat House in Inverness, California, where he is developing extended retreats, workshops, and presentations for the advancement of contemplative Christianity. His most recent publication, *Contemplating Christ: The Gospels and the Interior Life* (Liturgical Press, 2018) explores the ancient Christian teaching on "deification," which makes the radical claim that through the incarnation, we have all been made divine.

All are welcome! We will have light refreshments and there will be time for your questions.
